## The Ex Files

- The South Huron Fire Department is one of 15 in Ontario that will be getting dozens of combination smoke/CO alarms thanks to Project Zero. The campaign will allow the department to distribute 33 alarms free of charge to high risk individuals in their community. This could include seniors, developmentally challenged and those with a less fortunate social economic status.

- With fall around the corner, the Municipality of South Huron has started the icing process at both arenas in the community. The ice rink is ready to go at the South Huron Rec Centre in Exeter and staff have been busy preparing the surface at the Stephen Township Arena this week.

- Opening in theatres this weekend are the Owen Wilson/Pierce Brosnan thriller "No Escape," and the aspirational music film "We Are Your Friends," starring Zac Efron and Emily Ratajkowski. Both are currently trending below 45 percent on the movie ratings site RottenTomatoes.com.

- Tops at the box office last weekend were 1) "Straight Outta Compton," which surpassed \$111 million in its second week, 2) "Mission: Impossible – Rogue Nation," which has passed \$155 million in its fourth week, and 3) "Sinister 2," which made about \$10.5 million in its opening weekend.

## Business Of The Week

### Miller's Country Store

Our Business of the Week is your local rural supply depot, Miller's Country Store, which recently celebrated its fifth anniversary. Located at 137 Thames Road East in Exeter for the past two years, owner Laura Miller said they made the move to provide them with "more opportunities to carry a wider selection of products."

"TSC approached us about carrying their feeds, so we moved here to expand our inventory selection," she said. "So, we can typically get most of their products if we don't already have them. We should be able to offer their flier price if we have the item in stock."

Apart from items featured in TSC Store fliers, Miller's Country Store also offers livestock feed

from the Hensall Co-op, bird house and bird feeder supplies, giftware and numerous goods from area veterinary suppliers. "Our line of Purina pet food is also very popular," she added.

"We like to think that we offer small town customer service," she said. "We like to greet anybody that comes in and be as helpful as we can."

Miller's Country Store is open Monday through Friday from 9:00 am to 6:00 pm, Saturdays 9:00 am to 5:00 pm, and beginning after Labour Day, Sundays from noon until 4:00 pm.

Call the store at 519-235-0500, contact them by fax at 519-235-6200, or email at Laura@MillersCountryStore.ca. You can also find them on Facebook.
